Afsar Nagar AUSA, Tq.Ausa Dist. Latur - 413520

Approved by Govt. Of Maharashtra, Recognised by NCTE &  
Affiliated to Swami Ramanand Teerth Marathwada University, Nanded.

## WASTE MANAGEMENT POLICY

### INTRODUCTION

College realizes sustainable and holistic waste management essential in reducing its environmental footprint and providing a safe and healthy work environment for teaching and non-teaching employees, students, and visitors. The college has a duty to ensure that all the campus wastes are disposed of responsibly by using proper waste management mechanism at the source and if possible, converting it into value added environment friendly product.

The purpose of the policy is to facilitate implementation of the action plan brought out in "National Environment Policy 2006" on management aspects of hazardous waste including their minimization, environmentally sound management and active promotion of transfer and use of cleaner technologies.

### POLICY STATEMENT

The college will adopt the principles of the 'best practicable environmental option by prevention of waste, preparing for reuse and recycling in the delivery of its waste management services. The college will apply a 'waste hierarchical approach', to reduce, to reuse, to recycle and to recover waste products in preference to the disposal of waste to landfill.. The college requires all the teaching and non-teaching staff, students, guests and anyone else making use of the premises to comply with this Policy.

### POLICY OBJECTIVES

- Create awareness among staff and students regarding the sources of waste generation and ways in which this can be prevented.
- Adopting 3 R Policy – Reduce, Reuse and Recycle in the campus.
- Waste management should be a responsibility and duty of each individual.
- To give adequate training for faculty, resident, staff, students and other stakeholders on waste management issues.
- To increase the aesthetic beauty of the campus and thereby reducing the tendency of waste disposal.
- To maintain the campus green and eco-friendly.

### ORGANISATION AND MANAGEMENT

The responsibilities and organizational arrangements for this Waste Management Policy lie with a variety of personnel within the institute.

### SOLID WASTE MANAGEMENT

# Hindustani Education Society's Azad Senior College, AUSA.

(B.Ed. Program)

Afsar Nagar AUSA, Tq.AUSA Dist. Latur - 413520

Approved by Govt. Of Maharashtra, Recognised by NCTE &  
Affiliated to Swami Ramanand Teerth Marathwada University, Nanded.

Solid wastes are the major part of wastes found inside the campus. The effective environmental friendly disposals of such wastes are done mainly by solid waste collection, separation, composting etc. There shall have separate bins for degradable and no degradable items in each veranda. Waste from various rooms shall be collected for segregation. The segregated wastes are disposed in an ecofriendly manner.

## LIQUID WASTE MANAGEMENT

Liquid waste generated in the wash areas (bath rooms, toilets), labs, shall be passed through drains to absorb into the earth midway through the college ground. Canteen wastewater shall be managed through sedimentation pits

## E - WASTE MANAGEMENT

Camera, Hard Disk, Printer, UPS, Laptops, Copper Cables, CPU, Mother Board, Mouse, Network Switches, Scanner, Cable Box, Server, Compressor, Electrical Switches, CRT Monitor and LCD Monitor are the common e-waste found in the campus. They are properly collected and stored and try to give to vendors in the buyback form.
