## Policy Documents for Green Practices

All the teaching and non-teaching staff and students are hereby informed that our college is going to follow some Green Practices to protect the environment and human life. We are going to be eco-friendly. Hence, we have to follow the following Green Practices for the protection of the Earth where we dwell. Our behaviour and practices will help a lot to make green and healthy environment in these days of global warming.

### Green Practices of the College:

- 1. Use of bicycle:** All teachers and students have to use their bicycles on the last Saturday of every month.
- 2. Plastic free campus:** All students and staff should not use any type of plastic in the college campus. If anybody is found guilty of using plastic items, he or she will have to pay Rs. 50 as a penalty.
- 3. Green landscaping with trees and plants:** The college will undertake Environment Awareness Programmes to fight against global warming. The college will motivate the stakeholders for tree plantation for green and healthy campus.
